The vine

Plot /climat Clos des Mouches (total surface area 25ha 18a).

History In medieval French, « les mouches » meant bees. The south east facing slope takes a lot of sun that attract flowers and bees.

Soil Clay and limestone, stony and well drained.

Our plot(s) 58a35ca and 15a03ca planted in 1958, 1968 and 1986 at an altitude of 250/300m.

The wine

100% Pinot Noir from handpicked grapes; raised in oak casks.

Taste The grapes from the two different altitudes balance to give a round and elegant wine with an aroma of ripe red berries, full-bodied and velvety on the palate.

Serving temperature 15/16°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

At last ! Following several vintages hit by serious hailstorms (2012,13,14) 2015 started with mild, dull but early march faire conditions. Several dry and sunny periods and rainfalls at the right time accompanied paced the development of vegetation ; hot summer, the grapes were ripe and sound by the 1st of september for a great harvest. The wines are dark and shiny in coulour with very fine aromas of red fruit slightly candied. The taste is intense and of an exceptional finesse.
