GRANDS VINS DE BOURGOGNE

MEURSAULT

Les Tillets

2018

Domaine Berthelemot is a family business based in Meursault and cultivating 15 hectares in the Côte de Beaune area (Meursault, Puligny-Montrachet, Pommard, Beaune...). Our pledge is to produce wines revealing the true quality characteristics of the land and take care to protect the environment. Our wines are certified "organic" from vintage 2021.

## The vine

**Plot /climat** Les Tillets (total surface area 11ha 20a).

**History** Old word for the lime tree, very common in this area and frequently used for medicinal purposes in the middle ages.

**Soil** Brown limestone type with a layer of humus and gravel on a hard rocky base.

**Our plot(s)** 25a 83ca planted in 1962 at an altitude of between 320 and 340m.

## The wine

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

**Taste** The old vineyard gives little contracted berries, richness that echoes to the wine. Similar to Puligny-Montrachet owing to the location and altitude of the plot; wines have elegant, mineral tones with good persistency in the mouth, brisk and distinguished.

**Serving temperature** 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.

## The vintage

The end of the winter was very cold ; nice weather early april was the best conditions for buds to come out ; end of may, the vines are in bloom. Hot and dry conditions in july and august helped the grapes mature quickly. We started harvest on the 31st of august on Beaune Clos des Mouches white. Fine citrus aromas, well balanced between richness and freshness, without being too pronounced nor overmatured.
