The vine

Plot /climat La Garenne (total surface area 9ha 87a)

History In the middle ages, « garenne » meant a wooded hunting area belonging to a local landowner or monastery.

Soil Thin, stony top soil on a layer of limestone rock.

Our plot(s) 22a 15ca planted between 1935 and 1992.

The wine

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

Taste The location of this plot gives the wine its intensity and mineral notes together with aromas of white flowers and almonds; it is well structured, smooth and fresh and can benefit by laying down for a few years.

Serving temperature 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

The end of the winter was very cold ; nice weather early april was the best conditions for buds to come out ; end of may, the vines are in bloom. Hot and dry conditions in july and august helped the grapes mature quickly. We started harvest on the 31st of august on Beaune Clos des Mouches white. Fine citrus aromas, well balanced between richness and freshness, without being too pronounced nor overmatured.
