The vine

Plot / climat La Maladière (total surface area 13ha 58a)

History « Maladière » is derived from « maladreries », a hospice for sick people in medieval times, of which there were ruins in the vicinity.

Soil Split limestone pebbles covered with marls.

Our plot(s) 45ca 10a planted between 1978 and 2004 and situated at an altitude between 240 and 280m.

The wine

100% Pino tNoir from handpicked grapes; raised in oak casks.

Taste Rich red in colour, the wine has red fruit aromas; in the mouth it is supple but well structured with fine tannins and a persistent finish.

Serving temperature 15/16°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

At last ! Following several vintages hit by serious hailstorms (2012,13,14) 2015 started with mild, dull but early march faire conditions. Several dry and sunny periods and rainfalls at the right time accompanied paced the development of vegetation ; hot summer, the grapes were ripe and sound by the 1st of september for a great harvest. The wines are dark and shiny in coulour with very fine aromas of red fruit slightly candied. The taste is intense and of an exceptional finesse.
