## The vintage

---

The end of the winter was very cold ; nice weather early april was the best conditions for buds to come out ; end of may, the vines are in bloom. Hot and dry conditions in july and august helped the grapes mature quickly. We started harvest on the 31st of august on Beaune Clos des Mouches white. Dark in colour, cassis or blackcurrant aromas, rich and concentrated sensation in the mouth, well balanced acidity and full tannins.
