The vine

Plot /climat The Village

History This plot is in fact inside a « clos » (or vineyard surrounded by stone walls) and overlooks the village with a wide view of the village and the valley.

Soil Clay and alluvium.

Our plot(s) 51a33ca planted in 2014 on a slope of 10% facing east-south-east.

The wine

100% Pinot Noir from handpicked grapes and raised in oak casks.

Taste The bouquet of violets and black fruit is elegant and this is observed in the mouth, giving depth and a silky texture to the wine with a fine persistence.

Serving temperature 15/16°C. Recent vintages may be decanted to enhance the aroma.

The vintage

The end of the winter was very cold ; nice weather early april was the best conditions for buds to come out ; end of may, the vines are in bloom. Hot and dry conditions in july and august helped the grapes mature quickly. We started harvest on the 31st of august on Beaune Clos des Mouches white. Dark in colour, cassis or blackcurrant aromas, rich and concentrated sensation in the mouth, well balanced acidity and full tannins.
