Plot /climat Les Parties

Soil The covering soil layer is deep with clay and stone.

Our plot(s) 38 ares planted in 2008, situated at the foot of the Puligny-Montrachet commune

The wine

100% Chardonnay, handpicked grapes, vinified and produced, half and half in oak casks and stainless steel vats.

Taste Light gold in colour with a green hue; aromas of fresh fruit, including some citrus and slightly woody; in the mouth it is well balanced, fresh with good length.

Serving temperature 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

March was sunny and budburst happened too early. 5th of April frost made big damages in Puligny. Flowering occurred lately, with wind and rain, many flower aborted, confirming a low yield vintage. Fortunately, summer was hot and dry, enhancing maturation and sugar concentration by the end of summer. Harvest started 13th of September. White wines are generous and fruit driven, but high acidity gives a good concentration and length. Red wines benefited from the hot summer with a complex bouquet and round tanins.
