The vine

Plot /climat Noizons and Petit Noizons

History Since the middle ages Pommard has been considered as the most reputable of the Beaune district wines; the surface area is 320ha and wines are rich, aromatic and may be kept for many years. "Noizons" area is a land originally planted with walnut trees.

Soil Brown limestone, stony, reddish with some ferrous oxide.

Our plot(s) 1ha 84a, planted between 1924 and 1997.

The wine

100% Pinot Noir from handpicked grapes ; raised in oak casks.

Taste The wine is dark red in colour and with an aroma of sweet red berries, mildly spiced; it is warm and round on the palate, with delicate tannic hints and long aftertaste.

Serving temperature 15/16°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

March was sunny and budburst happened too early. 5th of April frost made big damages in Puligny. Flowering occurred lately, with wind and rain, many flower aborted, confirming a low yield vintage. Fortunately, summer was hot and dry, enhancing maturation and sugar concentration by the end of summer. Harvest started 13th of September. White wines are generous and fruit driven, but high acidity gives a good concentration and length. Red wines benefited from the hot summer with a complex bouquet and round tanins.
