The vine

Plot /climat Les Bressandes

History It is said that the plot, formerly an old quarry filled in and planted with vines, was given the name by 3 spinsters from the Bresse region; however, it is more likely that the name originates from "broussailles" (brushwood) or "brousse" in old French vernacular.

Soil Sandy and stony on a slope of 10 to 15% facing south-east.

Our plot(s) 94a81ca planted in 1959, 1974 and 1998.

The wine

100% Pinot Noir from handpicked grapes and raised in oak casks.

Taste It is forceful on the nose combining aromas of violets and black fruit and a delicately toasted sensation; at the start in the mouth it is full and rich, followed by deep fruitiness and then a slight saline finish.

Serving temperature 15/16°C. It is recommended to decante recent vintages so as to enhance the aroma.

The vintage

The mild Winter meant that vegetation growth started early; we began debudding mid-April and with fine sunny weather the vine developed and flourished gradually in good conditions. The Summer was very dry which accelerated the maturing process with a lower yield but a high aromatic concentration for the Pinot Noir grape; for the Chardonnay however, the conditions were satisfactory for both growth and maturity. The grape harvest commenced on 20 August. The red wines are deep, bright in colour, they reflect red fruit together with full and elegant tannins.
