The vine

Plot /climat Les Parties

Soil The covering soil layer is deep with clay and stone.

Our plot(s) 38 ares planted in 2008, situated at the foot of the Puligny-Montrachet commune

The wine

100% Chardonnay, handpicked grapes, vinified and produced, half and half in oak casks and stainless steel vats.

Taste Light gold in colour with a green hue; aromas of fresh fruit, including some citrus and slightly woody; in the mouth it is well balanced, fresh with good length.

Serving temperature 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.

The vintage

The mild Winter meant that vegetation growth started early; we began debudding mid-April and with fine sunny weather the vine developed and flourished gradually in good conditions. The Summer was very dry which accelerated the maturing process with a lower yield but a high aromatic concentration for the Pinot Noir grape; for the Chardonnay however, the conditions were satisfactory for both growth and maturity. The grape harvest commenced on 20 August. The white wines follow the true burgundy tradition with good intensity and citrus notes, fresh and mineral in the mouth
