The vine

Plot/climat Les Bressandes

History It is said that the plot, formerly an old quarry filled in and planted with vines, was given the name by 3 spinsters from the Bresse region; however, it is more likely that the name originates from "broussailles" (brushwood) or "brousse" in old French vernacular.

Soil Sandy and stony on a slope of 10 to 15% facing south-east.

Our plot(s) 94a81ca planted in 1959, 1974 and 1998.

The wine

100% Pinot Noir from handpicked grapes and raised in oak casks.

Taste It is forceful on the nose combining aromas of violets and black fruit and a delicately toasted sensation; at the start in the mouth it is full and rich, followed by deep fruitiness and then a slight saline finish.

Serving temperature 15/16°C. It is recommended to decante recent vintages so as to enhance the aroma.

The vintage

2023 - An year of plenitude. The 2023 spring weather was unsettled, with many storms that fortunately did not have damage on the vineyards. Thanks to a high rainfall in August, grapes were numerous and juicy. We feared that achieving perfect maturity would be a challenge because of the high volume of grapes, but the fruits finished ripening and the aromas concentrated extremely fast thanks to an unexpected heatwave that hit us at the beginning of September. It is also around that time that harvest started (on the 5th of September). Yeast did transform sugar into alcohol at a relatively slow pace, alcoholic fermentation finished in December. While tasting, we get a dominance of fruit driven aromas and a gourmet, elegant vintage. We note that 2023 is more refined than 2020 vintage for both reds and whites. What a blessed vintage!
