## The vine

---

**Plot / climat** Les Vireuils and Les Narvaux

**History** The plots are situated at the top of the slopes and mostly first cultivated between the 2 world wars; "Les Vireuils" refers to a path around the hills and "Les Narvaux" a narrow valley at the top of the slopes.

**Soil** Marls and pebbles on hard, limestone rock.

**Our plot(s)** 14a 22ca and 34a34ca planted in 1962, 1999, and 2003 at an altitude of 320 and 340m.

## The wine

---

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

**Taste** As the grapes mature a little late in this location, they are generally picked at the end of the harvesting period; when young, the wine is first dry and long in the mouth and then gains in elegance with age. The nose is complex with citrus fruit and mineral aromas.

**Serving temperature** 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.
