Our pledge is to produce wines revealing the true quality characteristics of the land and take care to protect the environment. Our wines are certified "organic" from vintage 2021.

### The vine

**Plot / climat** La Garenne (total surface area 9ha 87a)

**History** In the middle ages, « garenne » meant a wooded hunting area belonging to a local landowner or monastery.

**Soil** Thin, stony top soil on a layer of limestone rock.

**Our plot(s)** 22a 15ca planted between 1935 and 1992.

### The wine

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

**Taste** The location of this plot gives the wine its intensity and mineral notes together with aromas of white flowers and almonds; it is well structured, smooth and fresh and can benefit by laying down for a few years.

**Serving temperature** 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.

### The vintage

At last ! Following several vintages hit by serious hailstorms (2012,13,14) 2015 started with mild, dull but early march fair conditions. Several dry and sunny periods and rainfalls at the right time accompanied paced the development of vegetation ; hot summer, the grapes were ripe and sound by the 1st of september for a great harvest. The grapes were gold in colour, perfect ripeness ! the wines are pure and elegant, well balanced and pleasantly rich on the palate.
